

HAPPY TOGETHER The Turtles

- V1) Imagine me and you, I do
I think about you day and night, it's only right
To think about the one you love and hold 'em tight
So happy together
- V2) If I should call you up, invest a dime (call you up...)
And you say you belong to me and ease my mind (ease my mind...)
Imagine how the world could be, so very fine (very fine...)
So happy together.
- CH) **I can see me lovin' nobody but you (AH!)**
For all my life
When you're with me, baby the skies'll be blue (AH!)
For all my life,
- V3) Me and you and you and me (you and me)
No matter how they toss the dice, it has to be (has to be)
The only one for me is you, and you for me (you for me)
So happy together
